

SOLUTION RESOURCES ANTI-BRIBERY POLICY

Introduction

Solution Resources values its reputation for ethical behavior and for financial probity and reliability. It recognizes that over and above the commission of any crime, any involvement in bribery will also reflect adversely on its image and reputation. Its aim therefore is to limit its exposure to bribery by the following:

- Setting out a clear anti-bribery policy;
- Training all employees so that they can recognize and avoid the use of bribery by themselves and others;
- Encouraging its employees to be vigilant and to report any suspicion of bribery, providing them with suitable channels of communication and ensuring sensitive information is treated appropriately;
- Rigorously investigating instances of alleged bribery and assisting the police and other appropriate authorities in any resultant prosecution;
- Taking firm and vigorous action against any individual(s) involved in bribery.

The Policy

Solution Resources prohibits the offering, the giving, the solicitation or the acceptance of any bribe, whether cash or other inducement to or from any person or company, wherever they are situated and whether they are a public official or body or private person or company *by* any individual employee, agent or other person or body acting on Solution Resources' behalf in order to gain any commercial, contractual or regulatory advantage for Intec in a way which is unethical or in order to gain any personal advantage, pecuniary or otherwise, for the individual or anyone connected with the individual.

Further Clarification

Solution Resources recognizes that market practice varies across the territories in which it does business and what is normal and acceptable in one place may not be in another. This policy prohibits any inducement which results in a personal gain or advantage to the recipient or any person or body associated with them, and which is intended to influence them to take an action which may not be solely in the interests of the company Solution Resources or of the person or body employing them or whom they represent.

If anyone is in doubt as to whether a potential act constitutes bribery, the matter should be referred to the Director with responsibility for this policy before proceeding
